

Operating instruction in accordance with § 14 GefStoffV,

Building:	Workplace:
Operation/Department:	Activity:
Date/released:	Entry date:

HAZARDOUS SUBSTANCE / PRODUCT DESIGNATION**Akemi transparent, Resin****Contains: Styrene & Phthalic anhydride****DANGERS FOR HUMANS AND ENVIRONMENT****Harmful**

May produce an allergic reaction. R 10: Flammable. R 20: Harmful by inhalation. R 36/38: Irritating to eyes and skin.

Evolution of flammable mixtures possible in air when heated above flash point and/or during spraying or misting. Reactions with strong oxidizing agents.

PROTECTIVE MEASURES, RULES OF CONDUCT

Use only in well-ventilated areas. Keep away from all sources of ignition - Refrain from smoking. Vapours can form an explosive mixture with air. Keep only in original container. Do not store together with oxidizing agents. Keep container tightly closed. Keep container in a well-ventilated place. Protect from heat/overheating.

Ensure adequate ventilation on workstation. Breathing apparatus in the event of high concentrations. Short term: filter apparatus, combination filter A-P2. Safety glasses. Avoid contact with eyes and skin. Do not inhale vapours.

Hand protection: Viton, >480 min (EN 374).

BEHAVIOR IN THE CASE OF A DANGER

Suitable extinguishing media: Carbon dioxide. Water spray jet. Dry powder. Alcohol-resistant foam.

Special protective equipment for firefighters: Use self-contained breathing apparatus.

Additional information: Fire residues and contaminated firefighting water must be disposed of in accordance within the local regulations.

Keep away from all sources of ignition. High risk of slipping due to leakage/spillage of product. Ensure adequate ventilation.

Pick up with absorbent material (e.g. sand, sawdust, universal absorbent, diatomaceous earth). Dispose of absorbed material in accordance within the regulations.

Prevent spread over a wide area (e.g. by containment or oil barriers). Do not discharge into the drains/surface waters/groundwater.

FIRST AID MEASURES

Ingestion: Consult a doctor immediately. Do not induce vomiting. Rinse out mouth and give plenty of water to drink.

Inhalation: Ensure supply of fresh air. In the event of symptoms seek for medical treatment.

Eye contact: In case of contact with eyes rinse thoroughly with plenty of water and seek medical advice.

Skin contact: In case of contact with skin wash off immediately with soap and water. Consult a doctor if skin irritation persists.

General information: Remove contaminated soaked clothing immediately and dispose of safely.

DISPOSAL CONSIDERATIONS

Disposal in an incineration plant in accordance with the regulations of the local authorities. Dispose of as hazardous waste. Packaging that cannot be cleaned should be disposed of as for product. Uncontaminated packaging may be taken for recycling.
